MATHEMATICS AND GEOGRAPHY are combined at Parkview School in preparation of this map of the United States, drawn to scale. The project results from the study of metric measurement in the mathematics class and a geography lesson about the U.S. Sixth-grade students under the direction of teachers Dan Janes and Janet Wilson, have undertaken the painting job. The students are developing games

which will be taught to pupils in other classes so they can play on and learn from the map. The Parkview Parent-Teachers Association at Parkview helped finance the project. Working Thursday on the project are David Warfield, center, talking to his teacher, James; Dennis Sutton, 10, at left, and Tammy Parrish, right.

Fest undecided

President Kenneth A. Shaw of Southern Illinois University at Edwardsville is emphasizing that the university has not given up on the Mississippi River Festival. He has announced four steps being taken by SIUE to evaluate the Festival and make recommendations for the future.

Speaking to the board of directors of MRF, Inc., at the Bel Air Hilton Hotel on Thursday afternoon, Pres. Shaw said:

—An intensive internal audit of MRF is being conducted within the university.

—A professional consultant—Chris Fahlan, manager of the

Blossom Music Center (Cleveland Orchestra), Cuyahoga Falls, O.—has been retained to provide an evaluation of the MRF management and program.

—Earl Lutzon, SIUE vice-president and provost, is conducting an evaluation of the MRF in terms of its academic benefits, and the other vice-presidents in terms of the impact of MRF on their functional areas; and

—University students, faculty and staff will be asked to rate the MRF in terms of the University's overall priorities.

After the university community has completed its study and made recommendations for the future of the MRF, the president will prepare an internal recommendation prior to consideration of the SIUE Board of Trustees, probably at the December meeting, Shaw said.

He added that the MRF will be in a "hold stage" until the issues are resolved. Declaring it has been proved

St. Clair closing

St. Clair Avenue will be closed for three or four days this week between Jill and Willow avenues to permit paving operations, it was announced today.

The street is expected to be closed Tuesday if weather permits the paving work to begin, according to engineers at C. D. Peters Construction Co., which is doing the work under contract with the city.

Motorists will be required to detour off St. Clair onto side streets to reach their homes or to go around the blocked area. According to construction

engineers the work is expected to take three days if the weather is good, but will require a longer period if there is inclement weather.

Monroe Brewer, city engineer, said the paving is another phase of the St. Clair Avenue improvement project. The work has included widening of the street from 24-foot width to 34 feet, and installation of curbs and gutters as well as drainage.

Cost of the project is \$38,000, Brewer said. It is being financed with motor fuel tax funds.

Commands nuclear sub

Navy Commander Ralph E. Beedle, 38, Granite City, took command of the U.S.S. Los Angeles, America's newest nuclear submarine, in ceremonies Friday afternoon at Newport News, Va.

The son of Mr. and Mrs. Leland S. Beedle, 3088 Wayne Ave., he is the husband of the former Nancy Sowell of Granite City. They have a son, Andy, 11 years old.

Cdr. Beedle graduated from Granite City High School and attended Northwestern University before entering the U.S. Naval Academy, Annapolis, Md. He has been in the Navy since graduating from Annapolis in 1962.

His most recent assignment prior to Friday was as a student in advanced courses. He previously was executive officer of the U.S.S. Sturgeon, also a nuclear submarine.

As commanding officer of the Los Angeles, which was commissioned a year ago, Cdr. Beedle will direct the operation of the Navy's most modern type of atomic-powered underwater vessel.

4-town sewers upheld

By GARY SCHNEIDER

Press-Record Staff Writer

The Illinois Appellate Court at Mount Vernon has upheld Madison County's legal authority to construct new sanitary sewers in Namecki, Chouteau and Venice townships, leading to Granite City sewage treatment facilities, attorneys involved in the project were notified by mail during the weekend.

On Thursday afternoon, the court released a unanimous decision which upheld a Third Circuit Court ruling on the sewer issue.

The Circuit Court at Edwardsville had ruled that a

suit attempting to halt construction of new sewers was not valid. Attorney Joe Hill appealed that decision to the Appellate Court.

The decision notes Hill has 56 days (until Dec. 15) to file a petition requesting leave to appeal to the Illinois Supreme Court, or he may file within 21 days a request for a rehearing by the Appellate Court.

The opinion in the case was written by Justice Charles E. Jones and was supported by Presiding Justice Richard T. Carter and Justice John M. Karrs.

It dealt point-by-point with

Union bricklayers endorsed by city

Granite City Council members have reaffirmed the city's policy of using union bricklayers for any type of city project requiring such work.

In a meeting last week, the aldermen voted to reaffirm a policy adopted six years ago, providing that city projects requiring brick work would be handled by union bricklayers and not by city employees.

The vote was taken after Robert Weiss, business manager of the bricklayers' district, including Local 65, told the aldermen that if the council still means to adhere to that policy, it should instruct Lionel Portell, city superintendent of streets, that street department employees should not do that type of work.

Weiss said street department workers have done such work in the past. He said that an agreement was reached between the bricklayers and the city which provided that any brick work required by the city

would be let by contract. "That was about six years ago, and to date we have not

Plan crackdown against vandalism

Means of reducing vandalism in Granite City—slashed tires, broken windows, stolen and damaged auto aerials and similar violations—are under study by city officials.

City Attorney George Filcoff is to obtain a copy of an ordinance enacted by the city of Deerfield, Ill., whose officials say substantial reductions in

vandalism have resulted from enforcement of the ordinance.

Alderman Gerald Farney of the Sixth Ward told the City Council last week that some action should be taken to stem a mounting volume of vandalism in which property is damaged.

He presented a newspaper clipping concerning the ordinance enacted at Deerfield,

where parents are subject to court action after a child is arrested the second time for any type of vandalism.

Farney said parents there are subject to a fine up to \$500, and that after several such arrests in Deerfield, vandalism fell off by 41 per cent.

He suggested that Filcoff obtain a copy of the ordinance and bring in recommendations

Scout leaders honored at recognition dinner

By MICK STRANGE

Press-Record Staff Writer

Recognition of service by volunteer leaders and election of officers highlighted the Uniwah (Quad-Cities) District annual dinner held Thursday night in the Niedringhaus United Methodist Church with 150 adult volunteers attending.

Presented with the District Award of Merit, commonly referred to as the Scout "Oscar," the highest honor a district can bestow on a leader, went to:

Erwin Stengel, a volunteer for 45 years in the area. Stengel has served as a scoutmaster, Webelos leader and Explorer adviser in addition to working on the Cub Scout Leadership Training Committee and also has served on the commissioner's staff.

Brice Ford, Madison, has been active with Troop 45 sponsored by the Mount Nebo Baptist Church since 1962. He has served as assistant

scoutmaster and for eight years as the scouting coordinator.

Ford also is a former cubmaster and Explorer leader. Marvin Weidemer, who became a volunteer scout leader as an assistant scoutmaster of Troop 13, sponsored by the St. Elizabeth Catholic Church in 1972. He has been active in all scouting activities of the Cahokia Mound Council since. He holds the Woodbadge and is a member of the Cahokia Lodge, Order of the Arrow. During the past summer he was one of the council leaders at the National Boy Scout Jamboree.

Al Woodard, scoutmaster of Troop 21 sponsored by the First United Presbyterian Church of Madison, is an eight-year veteran. Woodard is noted for the high quality of standards set for the members of Troop 21. He is a member of the Arrow and has been active in all council and district Scout activities.

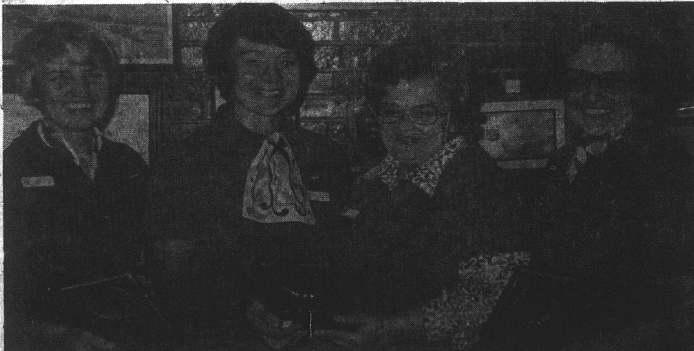

Charles Buford, committee

chairman of Cub Pack 141, sponsored by the Mitchell School PTA. He also has served on the district commissioner's staff and as Cub Roundtable Commissioner. Presently he is a Webelos leader and Scouting coordinator for Pack 141. He completed Cub Leaders Training and was awarded the Scout President's Award in 1974.

Mrs. Pauline Perkins, became a Den Mother in 1972 with Pack 96 sponsored by the Maryville PTA. She became a member of the pack committee and currently serves as Uniwah Cub Roundtable Commissioner. She holds the Den Leader's Training Award and the Den Leader Coach's Award.

Officers elected for the 1977-78 year on the recommendation of G. Rollin Henn, chairman of the nominating committee, were: Bernard Miller, chairman; Ron Luebbers, first vice-chairman; Floyd Jordan, vice-chairman;

OCTOBER BRIDE. Mrs. Allen Shelton Gaines, the former Miss Myra Joy Mitchell, who was married at the Cedar View Baptist Church on Saturday afternoon. She is a daughter of Mr. and Mrs. Jack Koller, 2724 Angela Drive.

Gaines-Mitchell wedding at Cedar View Baptist

The wedding of Miss Myra Joy Mitchell, a daughter of Mr. and Mrs. Jack Koller, 2724 Angela Drive, and Allen Shelton Gaines, a son of Mr. and Mrs. A. D. Gaines, 282 Eighth St., Wood River, was solemnized Saturday afternoon at the Cedar View Baptist Church.

Palms and urns of greenery decorated the sanctuary for the double ring ceremony performed at 3 p.m. by the Rev. Verlin Smith of Edwardsville, an uncle of the bride.

A reception for guests was held in the church fellowship hall following the service.

For her wedding the bride recorded nuptial selections she played on the piano, guitar and and organ and had the music re-played at intervals during the ceremony. They included "A Wedding Song," "Thank You, Lord" and "One Hand, One Heart."

The bride wore a floor length ivory Qiana knit gown featuring an Empire waistline, long fitted sleeves with lace cuffs set into a molded bodice, designed with a high neckline and oval sheer yoke, trimmed in Brussels lace and seed pearls.

Her A-line style skirt fell softly into a Watteau train and she wore a lace Juliet cap to secure a fingertip veil bordered in matching lace.

She carried a bridal bouquet of ivory carnations and peach roses created of wood fiber material.

Miss Carole L. Wells, a college roommate, served as honor attendant and chose a rust color Qiana formal length dress designed with long puff sleeves, fitted bodice accented with criss cross ties and a square neckline edged with a collar.

Bridemaids Cheryl A. Hedges, another college roommate, and Mrs. Jan Timmins, a sister of the groom, were attired in peach gowns identical to the maid of honor.

They all held bouquets similar to the bride's floral arrangement.

Bridemaids Cheryl A. Hedges, another college roommate, and Mrs. Jan Timmins, a sister of the groom, were attired in peach gowns identical to the maid of honor.

David Penrod attended the groom as best man. Brad and Jeff Gaines, brothers of the groom, Paul Mitchell, the bride's brother, and Dan Moore completed the corps of groomsmen and ushers.

A dinner was served to the wedding party after the church rehearsal, at the Heritage House in St. Louis.

The former Miss Mitchell is a 1973 graduate of Edwardsville High School and her husband was graduated in 1976 from Wood River High School.

Rebekahs attend state session

The Delray Rebekah Lodge 786 of Madison, will host its annual Halloween party at 7:30 p.m. Tuesday, according to Mrs. Thelma Stockton.

Rosemarie Boyd becomes Mrs. Michael T. Heath

Miss Rosemarie Boyd and Michael T. Heath exchanged wedding vows in an evening candlelight ceremony on Sept. 10, at the First United Presbyterian Church.

Doug Stevens and Greg Spence played guitars and sang "The Wedding Song" and "Bookends Theme" prior to the service.

The Rev. David Maxton performed a double ring ceremony at 6 p.m. Parents of the bride are Mr. and Mrs. Clyde W. Boyd, 2231 Benton St. The groom is a son of Mr. and Mrs. Billy Heath, 2305 Gary Ave.

Escorted to the altar by her father, the former Miss Boyd selected a white silk face veil gown enhanced with English net and re-embroidered Alencon lace.

The gown featured a lace applied bodice adorned with seed pearls, a wedding band neckline and long lace sleeves accented at the wrist with a tiny flounce.

From the Empire waistline the skirt, which was applied with lace motifs, fell to a slipper length in the front and to a cathedral length train in the back.

She wore a mantilla veil of matching Alencon lace and white illusion attached to a lace Juliet cap. Her bouquet was a cascade of white silk gardenias and greenery.

Maid of honor was Miss

Judith Gaughan, a cousin of the bride, and bridesmaids included Elizabeth Accota, Carla Emrich, Susan Sullivan, Elaine Noeth and Tracey Brooks.

They were gown in salmon color Quana dresses designed with Empire bodices, tiny shoulder straps and long draped skirts, worn with chiffon capes.

Each attendant held a bouquet of tan and brown silk poppies, interspersed with dried baby's breath.

Lora Heath, a niece of the groom, was the flower girl and Steven Randall served as the ringbearer.

The groom chose David Line as his best man. Groomsman included Stan Farrow, Phillip and Richard Heath, brothers of the groom and Robert Gaughan and Jeff Johnson, cousins of the bride.

Escorting the guests to their seats were Ed and Richard Schmidt, the bride's cousins, Charlie Rollins, Kenny Vartan and Greg Nigohasian.

Debra Elmore attended the guest book at a reception held at Fischer's Restaurant, Belleville, after the ceremony.

The groom's parents, hosted a rehearsal dinner in their home. Mrs. Boyd, mother of the bride, was attired in a flowing Navy blue chiffon gown and capelet accented with hand painted pink roses.

The newlyweds are residing in Mitchell. They took a wedding trip to the Virgin Islands.

MR. AND MRS. JOSEPH NETEMEYER who exchanged vows at St. Francis Church in Aviston, Ill. Formerly Miss Patti Lynne Stiegelmeier, the bride is a daughter of Mr. and Mrs. Walter Stiegelmeier, 1813 Bremen Ave.

Ladies Coterie autumn outing

The next meeting will be held at 1 p.m. at Niedringhaus United Methodist Church Nov. 3 with Mrs. Fred Haug, as hostess. A silent auction will also be held.

Patti Stiegelmeier weds Joseph Elmer Netemeyer

Miss Patti Lynne Stiegelmeier, a daughter of Mr. and Mrs. Walter Stiegelmeier, 1813 Bremen Ave., and Joseph Elmer Netemeyer, a son of Mr. and Mrs. Paul Netemeyer, Aviston, Ill., were united in marriage in a double ring ceremony, on Oct. 1, at St. Francis Church, Aviston.

Officiating at the 1 o'clock afternoon service was the Rev. Kroff.

Given in marriage by her father, the bride wore a full length white mira mist gown fashioned with a fitted bodice featuring a sheer yoke, high neckline and long sleeves, accented with tiny lace motifs.

The scallop fingertip veil was held in place by a small flowered lace cap and she carried a cascade of pink, white and red roses intermingled with sprigs of ivy.

Honor attendant was Marilyn Hartharger and bridesmaids included Pam Denney, Cathy Johnson, a cousin, and Mary Lou Fabry.

They selected pink jersey formal length dresses designed with Empire bodices with tiny shoulder straps and flowing pleated skirts, complemented with chiffon capes.

Each attendant wore a headband of red and pink roses and they held a single red rose festooned with greenery, baby's breath and long pink ribbons.

The groom chose Paul Sanders as his best man. Groomsman and ushers included Pat and Maurice Netemeyer, Dale Newstrom, Ron Stiegelmeier and David Netemeyer.

Wedding music was provided by Lois Brandmeyer, organist, and Cindy Mahoney and Ron Stiegelmeier, vocalists. Selections included "One

Love," "God, Woman and Man," "Today," "Wedding Song" and "The Lord's Prayer." For her daughter's wedding, Mrs. Stiegelmeier chose a long pink gown and cape ensemble with gold accessories. The groom's mother appeared in a green floor length dress enhanced with a silver trim at the neckline and waist, and silver accessories.

Both mothers wore white gardenia corsages. Guests were received by the newlyweds at a 5:30 evening reception held at the Croatian Home, where dinner and dancing followed.

A rehearsal dinner was served to the bridal party at the Wilchare Restaurant in Breese, Ill.

The newly married Mr. and Mrs. Netemeyer will honeymoon in the Bahamas and will reside in Aviston.

Out of town guests were Mr. and Mrs. Mack Dalton, Mr. and Mrs. Roger Standley and Mr. and Mrs. Bob Mulvey.

that the "MRF" has been and can continue to be of tremendous benefit to both the University and the region." Shaw also acknowledged the festival must be subsidized to break even financially.

But added, "As a matter of policy, we will not go again to the private sector of the community to subsidize the Festival. At this point in the history of the university, there are requests of higher importance that we must direct to our sources of private support. We simply cannot tap the same well for the MRF."

The president said this is why the survival of the Festival now lies in the hands of the university itself, forcing the institution to deal with the questions of priorities and funding.

"We must determine as honestly as we can the value of the MRF in terms of our mission to serve the region," Shaw said. "This value must be carefully measured against many competing and drastic urgencies."

Citing the MRF as a "tremendous resource for cultural enrichment and outstanding entertainment," the president said the River Festival has been a powerful force for cohesion among the various communities in the area.

"In short," he said, "there is nothing currently available to the region that can equal our variety and depth of programming, our imagination of concept, our continuity of commitment to making available the very best artists and cultural events at a price that most can afford in convenient, pleasant surroundings."

Acknowledging the festival's inability to operate on a self-sustaining basis, the president said comparisons must be made with other university operations which are not profit-making.

"We would not expect a fully

responsible nursing program to make money," Dr. Shaw said. "Nor do we ask our programs such as the School of Dental Medicine, inculcable assets like the Lovejoy Library, or competition in the field of sport to be profit-making as a justification for their value."

The president emphasized that if the university community in its evaluation gives the MRF a high priority, it implies funding support, and monies from other sources would have to be reallocated.

Praising and expressing appreciation to the MRF directors for their support of the festival, Shaw said, "Your efforts were instrumental in making a historical record for the MRF so distinguished that we must fight as hard as we can to keep it alive."

"SUE owes you a great deal, as do all the citizens of this region who have benefited so hugely from the Festival." In addition to financial reports and related information distributed to the MRF directors at the meeting, Fred Shaw released copies of an administrative report containing "the best data currently available regarding the 1977 MRF season."

The report is being given to the head of each constituent group in the university community with a request for reactions and recommendations.

series of performances, mainly held in the natural outdoor amphitheater on the north side of the SUE campus, attracted 96,919 persons to 42 events. Included were 26 performances in the fine arts series of dance, theater, symphony and films, as well as nine folk programs and seven family programs.

Repair of another major sanitary sewer break in the Nameoki area is under way by the sewer division of the City Street Department, following completion several weeks ago of the Franklin Avenue sewer repair project.

Street Superintendent Lionel Portell said the break is one that has required by-pass pumping and is located in an easement behind O'Hare

between Kilarney and Maryville Road.

Because of the nearness of several houses, Portell said the new 12-inch sanitary sewer line will be laid from the manhole in the easement near the break, to a manhole at O'Hare, down O'Hare and then to another catchbasin on Kilarney in the easement.

He said 500 to 600 feet of line will be laid.

Sewer break repair begins on O'Hare

The City Council last week authorized payment of \$328 to the Illinois Power Co. to move a pole and transformers located at the point of the sewer break. Portell told the aldermen that Illinois Bell Telephone Co. had agreed to change its facilities without charge.

The placement of the new sewer line is expected to take several weeks, depending upon the weather.

National Steel files its complaint on below-value European sales

A complaint charging manufacturers from six European nations with "dumping" of cold-rolled and galvanized steel sheets into the United States "at less than fair value" was filed Thursday afternoon with the U.S. Treasury Department by National Steel Corporation, it was announced in Pittsburgh by corporate Chairman George A. Stinson.

The complaint, which also charges "injury to an industry as a result of such sales," cites importation of "substantial quantities" and "at significant dumping margins" of cold-rolled and galvanized steel sheets from Belgium, France, Germany, Italy and Netherlands and cold-rolled sheets from the United Kingdom.

"We are taking this action," said Stinson, "in direct response to press reports that President Carter has pledged... a more aggressive enforcement of laws to protect the domestic industry from dumping."

"Our understanding is that the President reportedly told a recent White House conference that the laws against foreign dumping in the American market had not been vigorously enforced," adding: "I have not been aware of this derogation of duty until just this week. We're going to do something about it."

National Steel is filing the complaint under the Anti-Dumping Act of 1921, as amended in 1974, "to continue, and in fact improve, (its) effective and vigorous enforcement," according to the document filed with the United States Customs Service in Washington Thursday.

In its petition, National Steel is requesting that the Customs Service initiate a full-scale anti-dumping investigation and that it withhold appraisal pending the outcome of such an investigation.

In addition, National is requesting that Customs calculate dumping margins (i.e., the less-than-fair-value determination) using both the "usual test" and the "constructed value" approach.

Dumping margins are based on the difference between export price (i.e., purchase price or exporter's sales price) and, as the case may be, home market price (the "usual test") or constructed value (as a result of sales below cost of production).

National's complaint seeks imposition of special dumping duties equal to the larger of the margins derived from using both of these approaches. The document cites recent foreign home market base prices as well as "constructed values" calculated by National Steel itself.

Dumping margins as high as 47 per cent on galvanized sheets and as high as 43.5 per cent on cold-rolled sheets are cited in the document, which also describes some manufacturers as undervaluing galvanized sheets by as much as \$167.79 per net ton and undervaluing cold-rolled sheets by as much as \$102.15 per net ton.

Following is a table from the report showing dumping

General Steel notes improved sales, earnings

Net income of General Steel Industries for the third quarter ended Sept. 30 was \$1,436,000, or 51 cents per share of common stock, compared with net income of \$1,293,000, or 47 cents a share, in the third quarter last year. It was announced last week by W. Ashley Gray Jr., chairman of the board, and James A. Van Sant, president.

Net sales and other revenues were \$16,556,000 in the third quarter this year, compared with sales of \$16,201,000 in the same period of 1976.

GSI's third quarter performance brought net income for the first nine months of 1977 to \$4,600,000, or \$1.65 per share of common stock, compared with \$3,863,000, or \$1.39 per share, in the first nine months of 1976.

Net sales and other revenues for the first nine months this year were \$49,236,000 compared with \$46,304,000 in the comparable period last year.

Gray and Van Sant said, "The improvement in earnings from operations which developed in the first quarter this year has continued through the third quarter."

Lower interest expenses also contributed to improved profitability. Fourth-quarter results will be adversely affected by a strike currently in progress at one of the principal manufacturing divisions, National Roll near Pittsburgh."

The backlog of orders for GSI's five manufacturing divisions was \$16,631,000 Sept. 30, compared with \$18,176,000 on Dec. 31, 1976. Payment of an additional \$500,000 in long-term debt during the third quarter reduced total outstanding debt to \$6,437,000, compared with \$8,300,000 a year earlier.

Formerly based in Granite City, GSI currently operates 15 plants.

National Steel and its complaint does not cover Japan, since details on cold-rolled and galvanized sheets from Japan are covered under an anti-dumping petition recently filed with the Treasury by United States Steel Corporation. National is notifying the U.S. Customs Service of its support of the U.S. Steel position. The Treasury Department announced Wednesday that it is accepting this complaint for investigation after a Customs Service review. In announcing the decision to press the charges, National Steel Chairman Stinson said: "We hope that President Carter and the Treasury Department not only will recognize the validity of our complaint, but that they will also view this as but one potential remedy for much-needed relief in the domestic steel industry."

Downtown merchants to sponsor sales, Halloween contest

The vigil of All Saints Day usually celebrated by children masquerading will take on a new look in Downtown Granite City this year with an all-day celebration on Saturday, Oct. 29, sponsored by the Downtown Retail Promotion Committee of the Tri-Cities Area Chamber of Commerce.

Each of some 150 students of Emerson School will be assigned a downtown parking meter that the student will cover with a paper bag decorated in the Halloween spirit as each sees it.

Each student will be on his own to decorate as he sees fit. Each will cover his meter between 8 and 9 a.m. and remove the cover about 5 p.m., which means there will be all-day free parking downtown, Chamber officials said.

The merchants also will join the celebration. They plan a Halloween sale, offering special merchandise, hoping that parents will be interested in what their children are doing and will come downtown and spend a good part of the day shopping, inspecting and staying with their children, committee members said.

At 1 p.m. Patricia Mueller, Henry Gabriel and Gene Alassi will judge the winner in the parking meter contest for originality and neat work and will award a prize to the winner. In addition, the farmers market will open at 19th Street and Delmar Avenue, and several farmers will display pumpkins, apples and other fall produce which they will offer at special prices.

"Putting it all together, the

merchants have just one thing in mind — in addition to helping the students celebrate the day — and that is to bring a good crowd of people downtown to view what the students have done — to compare prices, merchandise and good selections in the stores, and to participate in the special prices and produce offered at the farmers market," a Chamber statement said.

Weather permitting, the North High School Steel City Pom Squad and Pep Band under the direction of Robert D. Todoroff will perform on the vacant lot at 19th and Delmar at 2 p.m.

This band and the girls are well known throughout the Midwest because of their championship performance. They won the National Championship earlier this year in Nebraska. Downtown merchants said they are attempting to make it an "old-fashioned" Halloween celebration with participation by parents, children and merchants.

Like a good neighbor, State Farm is there.

\$1,000 GIFT is presented to Mrs. Mattie Mathis, 2020 Iowa St., by Brad Skeen, manager of the A&P Store, 20th Street and Madison Avenue, in a store program.

Boy hit by train speaks first time in 7 months

"Lonnie Laster," 15, who was struck by a train and injured critically on March 16, spoke last week for the first time since the accident. He had been in a semi-conscious condition and unable to talk since the accident in which he and a companion were hit by a train.

His right arm was severed, his legs were broken in 11 places, his ribs were crushed and he suffered head injuries.

According to his grandmother, Mrs. Ruth Garner, the boy mumbled several words to his mother, Mrs. Phyllis Laster, early last week, but on Wednesday began talking clearly. Mrs. Garner said the boy now calls his nurses by name.

"His first words to his mother were 'I love you,'" Mrs. Garner said, adding that his words were not clear but that his mother understood them. Her grandson still cannot have visitors, but appreciates receiving cards and notes from friends and well-wishers, she noted.

Lonnie is in Room 411 at St. Elizabeth Hospital where he has been returned from Firmin Desloge Hospital, St. Louis, where he was in intensive care several months following the accident. "We are grateful to so many people and to the staff of the Press-Record for keeping people informed of his progress," Mrs. Garner noted.

A fund in his name has been established at First Granite City National Bank to aid the

family in meeting hospitalization costs. The fund so far has received more than \$3,000 in contributions, but the family still owes more than \$40,000 in medical bills.

The Pontoon Beach Lions Club will donate all proceeds of its Wednesday, Oct. 26, fund-raising project in the Nameski Village Shopping Center to the Laster fund, according to Chester Dean, project chairman.

Weatherization coordinators assigned here

The Madison County Economic Opportunity Commission has announced that two Vista Program volunteers have been named coordinators of the agency's energy programs for the next 12 months. Mr. and Mrs. Calvin (Terri) Rutman of Plattville, Wis., have been assigned to help the EOC as part of their one-year term with Volunteers in Service to America.

Vista is part of Action, the federal agency that also operates the Peace Corps. The Rutmans will oversee the newest weatherization project, which is slated to be funded with \$95,945 for Madison County. Under this program, low-income residents can qualify for assistance in getting their homes insulated.

A weatherization advisory committee is currently being formed to consider policy issues in the program. The committee will decide how to fairly distribute funds throughout the county and how to determine who will qualify for the program. Nominees for this committee are being sought by the EOC.

The weatherization program is expected to be operational by mid-November.

(Office of Lieutenant Governor Dave O'Neal)
Q. Will Medicare pay for the cost of a wheelchair I need to use in my home?
A. Medicare medical insurance will help pay for what is called "durable medical equipment," such as oxygen equipment and wheelchairs, if your doctor prescribes the need for it.
You could buy or rent the

equipment, depending on how long you feel it will be needed.
Q. I bought a wheelchair from the drug store that services my prescription needs. Since I didn't want them to wait for their money and cause a bad credit feeling between us, because of my prescription needs, I paid them for the total amount.
Then I applied for Medicare reimbursement. How will they handle this?

A. Medicare reimbursement for the purchase of durable medical equipment is made in monthly installments. These payments are 80 per cent of the reasonable charge after the yearly \$60 deductible amount is met.
You will receive these monthly payments until the allowed purchase price has been paid. Or, in the case of a rental, until the patient no longer requires the use of the equipment.
Q. I have back trouble and plan to see a chiropractor if it keeps up. Will my Medicare help pay for these services?

A. Medicare's medical insurance helps pay for only one kind of treatment by a licensed and Medicare certified chiropractor. That is manual manipulation of the spine to correct a dislocation shown by x-ray. Medicare cannot pay for the x-ray.
Q. My husband's job provides three-fourths of our family income and my job one-fourth. Since my children aren't dependent on me, could they get Social Security payments on my

record if I became disabled or died?
A. Unmarried children up to age 22, if full-time students, or unmarried sons or daughters who became disabled before age 22 can get monthly Social Security benefits when either parent gets Social Security benefits or dies after working long enough under Social Security.

After the business session a pledge ritual was held for Debbie Brown.

Refreshments were served by the hostess and it was announced a costume party will be held at the Nov. 29 meeting with Mrs. Laura McIlvay, 74 Cambridge Drive.

Members of Nu Zeta Chapter, Beta Sigma Phi Sorority participated in a program on the subject of family, marriage and bearing children held during a meeting hosted by Mrs. Amy Brasfield, 2824 Dogwood Drive.

Others present were Margie Williams, Lynette Cook, Laura McIlvay, Carol Moerlein, Cheryl Barton and a guest, Marcie Johnson.

Ex-GC resident pronounced dead after auto accident

Jerry L. Fox, 44, of New Baden, Ill., a former 22-year resident of Granite City and father of 11 children was pronounced dead at St. Elizabeth Hospital at 1:25 p.m. Friday following a one-car accident on State Route 15, two miles east of New Baden.

State police said Mr. Fox's car ran off the highway, down an embankment and overturned about 60 feet from the roadway. A passenger in the car escaped injury.

Authorities said it is believed Mr. Fox suffered a heart attack while driving, causing him to lose control of the car. An inquest will be held to determine if death resulted from a heart attack or from injuries received in the accident. Born in Granite City, he lived here 28 years and formerly was a heavy equipment operator. He was a member of the First Baptist Church of Mascoutah and of Masonic Lodge 877 of Granite City.

He is survived by his wife, Mrs. Barbara Fox; five sons, Michael Adams of Colorado Springs, Brian Adams of Granite City, James E. Fox II, Jerry L. Fox Jr. and David Fox, all of New Baden; six

Past presidents of Shrine Club are honored

Past presidents of the Tri-City Shrine Club were honored at a program conducted last week at the Officers Club at the Granite City Army Installation.

Dr. Stanley Maer, president of the club, introduced past presidents attending. They were Nobles Charles Boss, 1955; Claude Echols, 1957; Roy Wilmarig, 1959; Richard Ervay, 1966; Warren Decatur, 1969; Orville Hommert, 1970; Thurl Jones, 1971; Avery Schermer, 1972; Jack Fricker, 1973; Chester Dean, 1975; and Joe Wallace, 1976.

Each president related highlights of his year in office. A moment of silent prayer was observed in honor of deceased past presidents, Nobles Oscar Albert, Donald Partney, Chester Ashley, George Warnecke and Henry Reimers. Maer presented a gift to each of the past presidents attending in behalf of the club. Fricker and Jones were in charge of arrangements for the program.

Moose name judges for Halloween parade

Judges for the Moose Lodge 272 traditional Halloween parade, scheduled at 7:30 p.m. Saturday, were announced today by Boyd Presley, Moose governor, and Walter Anders, Civic Affairs chairman.

Responsible for selecting the first, second and third place winners in the best dressed, most comical and most original categories will be Granite City Officer Friendly Fred Hoffman, Salvation Army Captain Michael Tompkins and Superintendent of Streets Lionel Portell.

Cash awards of \$10, \$6 and \$4 to first, second and third place, respectively, together with 40 to 50 consolation prizes, will be presented to parade participants, Anders said.

Paraders are being asked to

Vehicles entered in parking area

The vehicles of three Granite City Steel employees parked in the 20th and Nash street lot, were damaged and entered, it was reported at 9 p.m. Thursday.

One auto entered belonged to Dean Peters of Prochontas, whose 46-channel citizens band radio and speakers were stolen and later were found by officers in an alley, east of Nash Street. Not recovered were a clock and tachometer.

A vent window was pried to gain entry and a screwdriver, not owned by Peters, was found on the floor of the car.

Trucks owned by Robert Campbell Jr., 2534 Lincoln Ave., and Harold T. Fisk, 1124 Iowa St., Madison, were entered in the same manner and flashlight was taken from the Fisk truck. An axe and flashlight were found in the parking area by Granite City Steel security officers. An investigation is continuing.

ARRESTED ON WARRANT James D. Fisk, 24, of 411 E. Chain of Rocks Road, was arrested at a home in the 2100 block of Cleveland Boulevard at 1:40 p.m. Thursday on a warrant charging unlawful possession of cannabis. He was released at 4:45 p.m. Thursday on \$1,500 cash bond.

Pre-construction meet scheduled

A pre-construction meeting for the Madison middle (junior high) school has been tentatively scheduled for Wednesday at the Board of Education office in Madison, according to a board spokesman.

It was reported at the Thursday evening school board meeting that the ventilating and heating estimates that were not as low as the Capital Development Board (CDB) thought they should be, have been adjusted.

The meeting had been scheduled for Friday, Oct. 14, but was delayed for further study of costs on the heating and ventilating bids.

Released on bond

Michael C. Reed, 26, of 1651 Third St., Madison, was released by Madison police at 7:10 p.m. Thursday to Granite City officers who were seeking him on a warrant alleging battery. He was released on \$150 cash bond.

A second Madison man turned over to the Granite City police reportedly was absent without leave and was being held for military police.

BOARD LACKS QUORUM

For the second time this month, last Thursday's planned meeting of the Granite City Plan Commission was cancelled due to lack of a quorum. Items from the October agenda will be considered when the commission schedules its November meeting.

Smoke detector alerts family

Smoke detectors and quick thinking by occupants prevented what could have been a serious fire at 5:20 a.m. today, according to Long Lake Fire Chief C. Arnold Rutherford.

Smoke detectors in the mobile home of Mrs. Edith Snyder, 4216 E. Lake Drive, alerted the five people in the trailer to a fire in a bedroom.

The fire started from a smoldering mattress.

"When the detector alerted the occupants, they closed the bedroom door as they were getting out of the trailer and this helped greatly in confining the fire to the bedroom," Chief Rutherford said.

Firemen were at the scene for about one hour. Extensive damage was done to the bedroom.

RINGS, MONEY TAKEN Jesse Ybarra, 3045 Myrtle Ave. reported that between 9 p.m. Saturday and 3:28 a.m. Sunday his home was burglarized. Thieves ransacked the bedroom taking a white gold ladies ring with five diamonds, one ladies watch and \$300 in cash.

Althoff jumps on North errors for 16-7 win

BRINGING DOWN Belleville Althoff runner Tom Maul is Steeler defender Steve Hartline (28) and an unidentified North gridders. Both teams' defenses played, an important part in the game, but it was Althoff's that made the difference, forcing some critical Steeler fumbles in his 16-7 win at Belleville.

By GEORGE BARTZ
For the Press-Record

The Belleville Althoff Crusaders defeated the Granite City North Steelers 16-7 Saturday night at Belleville Stadium. The loss was the fourth for North in seven games.

Althoff kicked off to the Steelers and Mike Sherman carried the ball to the Steeler 28-yard line. The next play, Sherman carried 74 yards for North's only touchdown of the night. Tim Bowman added the extra point to give the Steelers an early 7-0 lead.

Althoff began its first drive but penalties forced the hosts to go to the air. On third-down and eleven the Crusaders threw a screen pass to Tom Maul which ended in a 71 yard touchdown play. The extra point kick was good and the first quarter ended 7-7.

The Steelers failed to score and punted away. Althoff moved the ball into Steeler territory but a turnover gave the ball back to North.

Yardstick

First downs	Althoff	North
Total yards	309	232
Yards rushing	185	159
Yards passing	124	73
Penalties	9/84	3/50
Fumbles	4/11	5/42

The Steelers were stopped again and North punted the ball into Crusader territory. The Crusaders then began one final drive before half ended. The Steelers were unable to stop a 28-yard field goal by the Crusaders which gave Althoff the lead at half, 10-7.

Late in the second quarter, Steeler workhorse running back Mike Sherman was involved in a tackle, after which he got up, said something to the referee, and then collapsed on the field. The Belleville trainer and North coach Tom Wyrstetsek and other coaches rushed onto the field where the Steeler lay.

He remained there for almost 45 minutes until an ambulance took him to St. Elizabeth's Hospital, Belleville, where he was treated and released.

Sherman had sustained a neck injury, but it was not serious enough for him to be admitted to the hospital. The Steelers kicked off to Althoff and the Crusaders scrambled to their own 43 yard line. Penalties pushed Althoff back 20 yards and they were forced to punt.

The punt went out of bounds and the Steelers put the ball into play at their own 29-yard line. The Steelers failed to drive the ball and Bruce Wright came in to punt.

Althoff then started a drive which began at their own 17-yard line. The Crusaders again were stopped because of penalties and punted to Robin Smith, who carried the ball to North's 36-yard line.

North made one first down and then fumbled at its own 47 yard line which gave the Crusaders good field position. Althoff players didn't mess around. They threw a "bomb" on first-and-10, but the Althoff receiver dropped the ball. The Crusaders then set up a

screen which was good for 18 yards. But the Steeler defense took over and threw Althoff for a loss. The Crusaders were forced to punt but the Steelers blocked the punt and put the ball into play at mid field.

The Steelers fumbled the ball for the third time to Althoff and the misue set up a score. The third quarter ended with the score in Althoff's favor, 10-7. The Crusaders moved the ball for three first downs and then connected on an 11-yard touchdown pass with 9:37 left.

The extra point kick was blocked and the Crusaders led by 16-7. Althoff kicked off to North's Bruce Wright, who carried the ball to his own 35-yard line. Doug Rains came out throwing and threw to Mike Hagnum for 15 yards.

Wright rushed for two first downs to the Althoff nine-yard line. But once again, the Steelers turned the ball over to the Crusaders on a fumble.

Althoff began to move the ball and rushed it into Steeler territory. However, the Crusaders fumbled and the Steelers recovered the ball. Doug Rains threw for two first downs and Bruce Wright carried for one.

The Crusaders were penalized 20 yards, which gave the Steelers first-and-goal from the three with five seconds left to play.

But the Steelers couldn't score and time ticked away with the final score, 16-7. North's Coach Tom Wyrstetsek said, "We beat ourselves by committing errors, and a team as good as Althoff will cash in on those errors."

The Althoff coach, Glenn Schott, said, "It was a good, balanced game but we got the breaks."

Understatement, coach?

Press-Record

Alton hands South 34-0 shutout

By ELDON WARFIELD
For the Press-Record

Breaks have been few for the GCHS South football Warriors this season. Friday night was no exception. The South gridders dropped their fifth game of the year Friday night to the Alton Redbirds 34-0.

Although breaks have been few, injuries have been MANY. South has had as many as nine players out of gridiron action. Running back Cliff Moran sustained a chipped ankle in the Warrior loss to the Collinsville Kahoks to join Jay Huebner, who broke his leg in pre-season. Both players are out for the remainder of the Warrior season.

"It's a shame these two

players had to get hurt. They're possibly the best backs in the area," commented Coach Stan Wojcik about his senior leaders. Besides Moran and Huebner, a number of other Warriors sustained injuries. Lineman Dan Manogian came out of the Alton game in the second quarter with a possible chipped elbow which could end his season.

A nerve injury to his hand forced Scott Polson to watch the game from the sidelines but he is expected to be back in action for next week's game against the North Steelers.

Similar injuries to Mike Forshee, Jeff Parker and Mike Thomas forced this threesome to the bench.

They joined each other side by side with their "bells rung," not knowing much of what was going on. But these players were able to re-enter the contest against the Redbirds.

Doyle Beard was forced to retire from the contest with a neck injury but this injury was not thought to be too serious. Although Bob Roney played, he was hampered with the flu.

ALTON, now 3-4, may have been the best team South has faced, despite its losing

record. The Redbirds have been hampered by wet grounds the past few weeks. Losses of 15-7 three times and 10-7 once were all games with bad weather conditions.

It's the same guy . .

The Press-Record has a celebrity on the staff.

Eldon Warfield, who has been reporting Granite City South football this season and is an outstanding athlete in his own right, has enrolled at SIU at Edwardsville and will be a candidate for Coach Roy Lee's Cougars baseball squad next spring.

Coached by Conrad "Babe" Champion in both prep and Legion ball, Warfield was a four-year pitcher and third-baseman for GCHS South and voted the most valuable player in the Illinois State American Legion tournament last summer.

The past two years, Warfield was a member of

"We're a tough team when we get good footing for our backs," stated Alton head coach Wayne Williams.

This was obvious as the Redbirds rushed for an enormous 361 yards.

The Legion team which twice lost to Arlington Heights in the state championship finish. He hit 263 during 113 times at bat and posted the second best earned run average on the mound staff behind Paul Evans. He had a 1.58 ERA to Evans' 0.39.

Post 113's seven-man mound staff racked up a sensational 1.50 ERA while posting a 38-10 record for the 1977 season.

John Lakin, another pitcher on the Post 113 team, also will be on the SIUE squad. He's a first baseman who hit a robust .356, second behind Jeff Treiter's squad-leading .364. Lakin's ERA was 2.12.

Mike Woodard led Alton, gaining 128 yards in 10 carries and two touchdowns. Close behind him was fullback Gilbert Jochi who rambled 90 yards on 14 attempts.

Floyd Raglin pushed across a touchdown while gaining 47 yards on six carries. Despite not scoring, South had one of its best offense productions of the season. Mike Forshee connected on three of six passes for 46 yards.

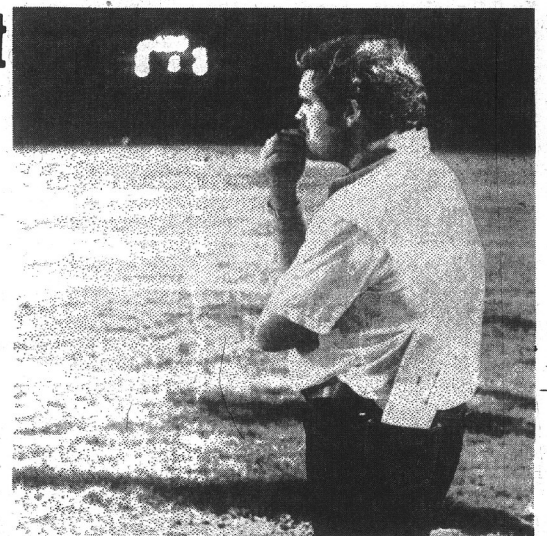

Beard was joined by new faces in the backfield, Dave Mahaffey and Jeff Bergrader. Beard led the crew with 61 yards on 12 carries before he was forced to leave the game. Mahaffey pounded out 44 yards on nine attempts.

South will carry its 2-5 record into the annual North-South rivalry contest at 8 p.m. Friday at the Granite City Stadium. This has proved to be the highlight game of the Granite City football season in the past. And this year should be no exception.

IT'S A LONELY FEELING when our players are losing 21-0, as they are at this point as South assistant coach Leroy Beck tries to figure something out. South went on to lose to Alton's Redbirds 34-0 in a game played at Alton Friday night.

Trojans make valiant comeback but lose thriller to Hardin, 22-14

For Madison head football coach Nick Jakich, Friday night was another frustration. After his Trojans began the season with a three-out-of-four victory rampage, some people started to think about a possible playoff appearance.

But Friday night, Madison lost its third straight game, 22-14, to Calhoun-Hardin, on the road.

But there was one bright spot for the Trojans. "Mr. Everything" running back James Heard returned to the Madison lineup after missing action last week because of an ankle injury.

But even that one bright spot was clouded. Hardin somehow managed to do something no other team has been able to do this season... shut down Heard. The Trojan workhorse was

held to only 41 yards rushing by the Hardin defense.

Hardin's Jeff Tepen got the scoring started early in the first quarter when he grabbed a Mike Jones pass for an 11 yard touchdown. The PAT by John Carter made it 7-0.

BUT THE TROJANS came right back in the second quarter. After a good drive, Heard plowed his way two yards into Hardin's end zone for a touchdown.

On the point-after-attempt, Heard snared a Joe Piechocinski pass for a two-point conversion and an 8-7 Trojan lead at halftime.

Then it was Tepen's turn to go to work again. After it appeared as though the Trojans had stopped Hardin, he caught a 49-yard pass from Jones for a TD. This time they went for two points and were successful.

Phil McNabb caught a Jones pass for the conversion that put Madison behind to stay.

THE TROJANS weren't going down without a fight. Late in the game, Piechocinski rambled two

yards for a touchdown. A one-point conversion would tie the game. A two-pointer could win it. Nick Jakich went for the win.

But the attempt at two failed. The Trojans were dead. Not Quite.

On the ensuing kickoff, Madison recovered an on-sides kick and had one last shot with 1:05 remaining in the game.

But fate had given the Trojans enough shots at the win. Hardin's McNabb intercepted a Piechocinski pass and ran it 11 yards into the end zone to seal Madison's fate.

This Friday, Madison will try to get back on the winning track when it ventures to St. Charles, Mo., for an interstate football battle.

The Trojans will close out their 77 season at Dupon.

Fitness class demonstration

Participants in the YMCA men's fitness program have now jogged over 300 miles. Classes are offered three times per day on a Monday-Wednesday-Friday schedule at 7:15 a.m., 12 noon and 5:15 p.m.

Cardiovascular fitness, via pulse-rate monitoring, is emphasized - with flexibility and muscle toning included - as part of the overall fitness program.

Anyone interested in improving the level of fitness may call Ed Mercer, physical director, at the "Y" at 707-7200, if it was noted.

There was a demonstration of a typical class Friday, evening during the YMCA open house.

Sub-sectionals begin today

North kickers edge Quincy; South clobbers St. Paul 10-0

It was a good day for both Granite City prep soccer squads Saturday, as each pounded the opposition while tuning up for the IHSA sub-sectional tournaments which begin today at both North and South.

GCIS North's kickers — now 12-1 for the season — grabbed a 1-0 lead at Quincy Saturday and hung on for a tough 10-0 win over the hosts.

Cliff "Butch" Stefanoff passed the ball to Eric Painter after just one minute of play. Painter slammed the ball into the net and the Steelers hung on from there. The win was evening.

Girls' tennis season is over

There will be no representative from Granite City this weekend at the Illinois High School Association girls' state tennis meet in Arlington Heights.

The reason? Even though the first day of competition at the Belleville West girls' tennis district was a fairly good one for Granite City, Saturday turned out to be just the opposite.

On Friday, South's Christy Bauer demolished Cahokia's

gracie Mike Hill's twelfth shut out of the season.

SOUTH'S WARRIORS did all right themselves in getting ready to defend their 1976 state championship. They demolished St. Paul of Highland 10-0 at the South field.

In outdistancing St. Paul in shut-out by a 5-0 margin, the Warriors ended their regular season with a record of 16 victories, one setback and four ties.

Mark Goldschmidt chalked up three goals Saturday, his 30th and 31st of the season, putting him within three of South's one-year individual

scoring mark.

Joe Theis also booted in three goals, and joining in the scoring column for South were Fred Schuler, David Fernandez, Gary Phelps and Greg Feigl. Goals Barry Briggs got the shutout.

In today's first games of the South sub-sectional, East St. Louis plays Waterloo Gilmart at 4 p.m. Then, at 4 Tuesday, it will be Assumption vs. Waterloo High School.

Host GCIS South is paired with today's Gilmart-East St. Louis survivor at 4 p.m. Wednesday, while Cahokia meets the Assumption-Waterloo

winner at 4 p.m. Thursday. Semifinal winners will collide for the sub-sectional crown at 4 p.m. Friday.

In the sub-sectional at North, Belleville West meets Lebanon at 4 p.m. today and the host Steelers soccer players take on today's winner at 4 p.m. tomorrow.

Belleville East opposes Belleville Althoff at 4 p.m. Wednesday in the other semifinal contest at North. Tuesday's and Wednesday's successful squads will clash for the tournament honors at 4 p.m. Thursday at North.

It was the Akron University Zips' turn Saturday afternoon as Coach Bob Guelker's Cougars ripped them, 2-0.

With just three minutes elapsed, little senior winger Chris Cacciatore took a mid-field pass and squirted down the right side of the field. He slipped gradually toward the middle and, at the last split second, passed off to freshman Don Ebert, who blasted the ball into the goal.

Cacciatore's ball-handling

had forced the Akron defense to misce and gave Ebert his first goal of two. At 67 minutes on the clock, Ebert soloed a goal with a kick from just outside the goal box.

In his dash downfield, an Akron defenseman momentarily stole the ball from Ebert but the ex-Rosary High star promptly swiped the ball back again and blasted it in for the score.

The Cougars, now 9-2-1, will be at home this Saturday for a 1:30 p.m. battle with the University of Wisconsin-Milwaukee Panthers, 8-4-0. In defeating Akron, the Cougars ran their streak to 11 without a loss to the Zips.

Arrest two in burglary

While a Granite City man was taking a nap Thursday evening, two people allegedly entered the house and stole a 10-inch portable television, a 12-inch television, two speakers, a black amplifier, an AM-FM stereo record player and a Fender guitar.

Clinton Carrico, 2325 Lincoln Ave., was taking a nap in the bedroom and awakened at 9:30 p.m. to find his home invaded and several items were missing.

Neighbors reported seeing a vehicle outside the dwelling and two men carrying items from the house. A description of the pair was given police.

Granite City officers were looking for the suspects and their vehicle when they learned a car and driver answering the description had been stopped by Madison police.

The driver, Ricky Ray Pulley, 17, of 11

Venice School Board hires aides, mechanic

Miss Jerri Gray, a former Title VII aide, was hired as secretary-receptionist to Venice Superintendent of Schools Robert N. Vickers by the Venice School Board at its meeting Thursday night.

Also hired by the board were J. B. Harmon as bus driver-mechanic at Venice-Lincoln Technical Center, and Janice Buie as language lab assistant, also at the adult vocational school.

Diane Hoult was employed as a Title VII aide at the Venice schools.

Authorized to attend the annual convention of the Illinois Association of School Boards, scheduled Nov. 19 to Nov. 21 at the Palmer House, Chicago, were board members, the superintendent, secretary and board attorney.

Requisitions amounting to \$10,896 for the Title VII program were approved.

The purchase orders included equipment and materials for reading and mathematics, plus desks and file cabinets for two new teachers involved in the remedial program.

Vickers was authorized to file an application for reimbursement under the Non-Food Assistance Program for purchase of a dishwashing machine, and to retain Henry R. Gabriel, architect, to certify school buildings in which Life Safety projects have been completed.

Jack Tolliver, board secretary, presided at the meeting in the absence of the Rev. Richard H. Bailey, president.

Youth injured

Rusty Pulley, 20, of 2106 Nameoki Road, was admitted to St. Elizabeth Hospital at 7:40 p.m. Saturday suffering cuts to his left hand.

Pulley approached a Granite City police car in the 1800 block of State Street, bleeding severely according to authorities.

Police said Pulley told them he was in a fight in the Tip Top Tavern, 1746 State St.

Madison police at 2:40 a.m. Sunday took a man into custody for questioning in the incident.

The fight allegedly started over a \$10 debt, police reported.

CHERYL TURNER, 15, daughter of Robert Turner, 3136 Carlson Ave., has been missing for three weeks, according to her father. She last was seen in a car with two men in the Nameoki area, he said. Anyone seeing the girl or having information about her is being asked to call Granite City police.

Guard is truck

Dewey Obermeier, 21, a security guard at Reilly Tar & Chemical Co. on Route 162, was struck on the nose by something thrown at him by a youth attempting to climb over the rear fence onto the company property at 10:30 p.m. Sunday.

Obermeier said he saw three youths near the fence and a tall, slender youth, about 16, started to climb over the fence. When Obermeier identified himself as a security guard, the teen threw something at him, climbed down and all three fled on foot.

Obermeier sustained minor injuries.

College 'open door' noted by two educators

Belleville Area College was one of several educational institutions in this region visited last week by Mrs. Aurelia Kubayanda of Accra, Ghana, and Mrs. Isabella Gitau of Nairobi, Kenya.

The visit of the ladies, educators in their respective countries, was sponsored by area chapters of the American Association of University Women, whose president, Rose Hagan, accompanied them on their tour.

During a meeting with Dr. William Keel, BAC's president, strong similarities between the two African nations' educational problems and those of the United States were discussed.

Each of the three nations is experiencing job shortages in the professional fields, and rapidly rising educational costs. One major dissimilarity was noted in the open door admissions policy of the American community colleges. "It is difficult for a person to be admitted to our colleges," Mrs. Kubayanda noted. She said the students in Ghana are tested very early to determine their academic abilities and attitudes, and that only a few are allowed to enter the universities.

"How wonderful it would be," she exclaimed, "if anyone who wanted to could attend our colleges."

The African visitors were especially interested in the BAC allied health curricula. All medical education in their countries is carried out in hospitals or in medical schools, they said.

Venice meetings called to study grant projects

A public meeting for residents of Eagle Park Acres to discuss potential Community Development projects in that area will be held at the Venice Township Office, 1501 Fifth St., Madison, at 6:30 p.m. today, according to Supervisor Christ Pashoff.

Pashoff said a second public meeting also will be held today, starting at 7:30 p.m., for residents of the Benjamin Addition of the Bloodworth subdivision, for the same purpose.

Quad-City area township officials are preparing a list of proposed projects that may be financed with Community Development funds. Although project forms were supposed to be filed with the Madison County Community Development office on Friday, most townships are late because guidelines in the new program were received only last week.

The Community Development office has been notified of a \$12.3 million grant to the county to finance the program over the next three years.

Farley promoted

Lyle O. Farley has been appointed manager-cost and systems for Amsted Industries, Chicago, James L. Green, controller, has announced. Farley joined the Amsted organization in 1966 as a member of the graduate development program and three years later was named projects coordinator in the Amsted Accounting Department. In 1972, he was appointed assistant works controller at the Granite City Works of American Steel Foundries, an Amsted division.

In 1973, he was named works controller at the ASF plant in Indiana Harbor and in 1975 he was named works controller at the ASF plant in Alliance, Ohio. Farley earned a business administration degree from the University of South Dakota in 1966. He and his wife, Mary, and their son, Christopher, six, live in Mt. Prospect, Ill.

Area health systems agency to name board

The federal official responsible for health planning agencies throughout the nation will be the featured speaker at the second annual meeting of the Greater St. Louis Health Systems Agency on Wednesday at 7 p.m. at the Rodeway Inn in St. Louis. The meeting is open to the public.

Harry P. Cain II, Ph.D., heads the Bureau of Health Planning and Resource Development of the U.S. Department of Health, Education and Welfare.

Dr. Cain's bureau is responsible for implementation of the National Health Planning and Resource Development Act of 1974, which authorized a national-state-regional network for health planning and development of health resources.

More than 200 health systems agencies are the regional arms of that network. The Greater St. Louis Health Systems Agency is the local unit serving the Missouri counties of Franklin, Jefferson, St. Charles and St. Louis County, the City of St. Louis and the Illinois counties of St. Clair, Madison, Clinton and Monroe.

The General Assembly is the general membership group of the organization, open to all area residents who are 18 years of age or older. Dr. Cain has a doctorate in social policy, planning and research from Brandeis University. He was named director of the Bureau of Health Planning and Resource Development in March 1976 and has held program planning and policy analysis positions with HEW since joining that agency 15 years ago.

The agenda for the annual meeting also includes elections to the agency's board of directors and its nominating committee. The League of Women Voters will conduct the elections for the agency.

Karen Schroll at Fort Jackson

Miss Karen Schroll is currently in boot training camp at Fort Jackson, S.C., where she is expected to complete the basic course in about six weeks. She enlisted in the U.S. Army last February under a delayed entry program and left for military training Oct. 4.

Miss Schroll, 19, is the daughter of Mrs. Helen Schroll, 2803 Kirkpatrick Homes. She is a 1976 graduate of Granite City High School South and also attended the Granite City School of Beauty Culture.

Steal tools at warehouse

Two electric impact wrenches, two grinders and a quarter-inch drill were stolen in a burglary reported Thursday at the A. H. Seebold Co., 2145 Adams St.

The burglar cut a hole in the fence along the railroad right-of-way and another opening in the chainlink fence surrounding the mechanic's warehouse. The lock was pried off the rear door of the warehouse to gain entry.

Siegfried promoted

James Siegfried has been named vice-president of sales for Hornblower, Weeks, Noyes & Trask, Inc., at Peoria. The announcement was made by Willis B. Hamilton, senior vice-president and regional manager of the international investment banking and brokerage firm. For the past two years, Siegfried, who is well known here, has served on the firm's management advisory board, composed of Hornblower account executives from all over the country who have demonstrated an outstanding level of professionalism in serving their clients. Prior to joining Hornblower in 1973, he was with the Mid-County School System.

A graduate of MacMurray College, Jacksonville, Ill., he is a member of the Bradley University Club, the Mid-County Boosters' Club and the Creve Coeur Club. He and his wife, Cynthia, the former Cynthia Zahn and daughter of Mr. and Mrs. Jerry Zahn, reside with their three children in Lacon, Ill.

The Hornblower firm was established in 1888 and has over 1,200 account executives in 88 offices coast-to-coast and abroad.

Job's Daughters hosts Bonds for Braces meet

MR. AND MRS. GEORGE SMITH, Highway 162, Granite City, who will celebrate their 25th wedding anniversary this week. Mr. Smith and his wife, the former Tillie Davis, were married on Oct. 25, 1952, in Edwardsville by Donald Hoffmeyer.

Bethel 43, Order of Job's Daughters hosted the annual fall "Bonds for Braces" session at the Granite City Masonic Temple with Robin McBee, queen presiding.

Special guest for the evening was Ralph Green, potentate of Ainal Temple.

Honored queens from Bethels 95 of Alton; Bethel 24, Belleville; Bethel 42, Collinsville; Bethel 72, Edwardsville; Bethel 20, Fairview Heights; Bethel 65, Columbia; Bethel 91, Highland; Bethel 52, Lebanon; Bethel 57, O'Fallon; and Bethel 88, Wood River were present and each presented a bond on behalf of her Bethel to Green to be used by the Shriner's Hospital.

"Bonds for Braces" is held twice yearly with a different Bethel at host.

This meeting was also designated as "Masonic Night," a night on which the girls honor master masons from whom their heritage stems. Members of the Granite City lodges as well as other members of area lodges were present and many members of the Ainal Temple. Approximately 150 guests were present. Refreshments were served following the meeting by Charlotte Root, Delora Baker and Pat Gant.

Later in the week members of Bethel 43 participated in the supreme pilgrimage held at the Masonic Temple in Edwardsville, with Robin McBee, queen, serving as marshal; Michele Root, senior princess serving as third

messenger and Gena Fox, marshal. Marilyn Metcalf, chaplain and Jill Donley, recorder, serving in the choir. This meeting was held in honor of Irene Woodward, supreme guardian and Roy Wayne, associate supreme guardian.

Thorngate Club plans party

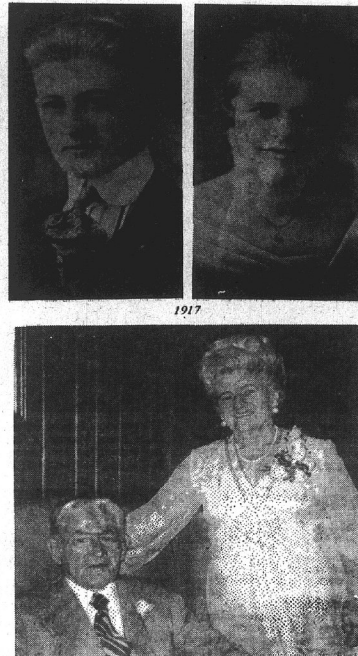

The Thorngate Garden Club finalized plans to host a Halloween party at the Troy Professional Care Home, at a meeting held in the home of Mrs. Thomas King, 2075 North St.

Mrs. Helen Polley, president, was in charge of the informal session.

"Microwave Flower Drying" was presented by Mrs. Clara Schullinger and Mrs. Betty King spoke on "Tables Made Beautiful."

Mrs. King demonstrated various colors and articles that could be used to beautify a table setting, and served refreshments from a table decorated in a fall theme of wheat and golden leaves. Each guest received a miniature loaf of bread and bottle of California wine.

Others present were Mesdames Patricia Polley, June Lux, Beula Miller, Pearl Young, Alma Irvin, Lillian Delpe, Wanda Herman, Miss June Markham, Miss Jean Bethel and a guest, Mrs. Elsie Wadlow of Edwardsville.

Mr., Mrs. Walter Brady mark 60th anniversary

Mr. and Mrs. Walter J. Brady, 2705 Madison Ave., observed their 60th wedding anniversary at a reception given earlier this month at Lockhaven Country Club in Alton.

The honorees received 105 guests at the social affair hosted by their son-in-law and daughter, Mr. and Mrs. Clem (Juanita) Halpin of Alton.

Mr. and Mrs. Brady also have two granddaughters and two great-grandsons.

Mr. Brady and his wife, the former Eva M. Maher, were married on Oct. 23, 1917, at the First United Presbyterian Church parlor by the Rev. McClusky. They have resided here since their marriage.

The guests of honor belong to a Senior Citizen pinocle club. Mr. Brady retired in 1968 from Granite City Steel after 37 years of service.

Deborah J. Rushing and Brian A. Crow are wed

Miss Deborah Jean Rushing became the bride of Brian Anthony Crow in a double ring ceremony, on Sept. 23, at Tri-City Park Tabernacle performed by the Rev. Gordon Nelson at 7 o'clock in the evening.

The bride is a daughter of Mrs. Eurrell Rushing, 2065 Thirteenth St., and James Earl Rushing of Tennessee. Parents of the groom are Mrs. Virginia Crow, 2424 Bryan Ave., and LeRoy Crow of St. Louis.

Given in marriage by her brother, James Voyte Rushing, the bride chose a white nylon organza A-line style gown. Floral lace motifs were appliqued on the fitted bodice, high neckline and above the ruffled cuffs of the long straight sleeves.

Venise lace marked the gathered flounce at the hemline and chapel train. She wore a lace Juliet headpiece to hold in place a mantilla veil. Her bouquet was a nosegay of daisies, roses, carnations, purple statice and baby's breath.

Preceding the arrival of the wedding party Cindy Hochuli and Tracy Tracy sang, "We're Only Just Begun," "If," and "Wedding Song" accompanied by Sandra Stewart at the organ.

Mrs. Donna Mitchell, a sister of the bride, served as honor attendant. She wore an orange chignon dress fashioned with an A-line skirt, worn with a detachable cape.

The bridesmaids Miss Cheryl

Rushing, another sister of the bride, Glenda Calvin, and Lori Gibson, the groom's sister, selected identically styled gowns in a pink, green and white floral chiffon.

Each of the attendants wore a halo of flowers in their hair and held nosegays of carnations in hues to match their attire.

Billy Gibson was the ringbearer and Tanya Mitchell served as flower girl. She wore an orange frock featuring a white equestrian and she carried a basket of orange and white daisies.

Robert Coble attended the groom as best man. Phil and Mike Green and Bill Chinn were groomsmen.

Seating the guests were Chris Miller and Bill Knapp and the candlelighters included Kathy Hartman and Donna Clinard.

A reception was held in the club fellowship hall after the service. Paula Porter attended the guest register.

For her daughter's wedding, Mrs. Rushing chose a full length coral gown with a pleated skirt and complemented with a pleated capelet. The groom's mother appeared in a floor length peach gown created with short sleeves. Both mothers wore white rose corsages.

Both young people graduated from Granite City High School South. The bride is employed as a cashier at K-Mart Store and her husband works at the Coca-Cola Bottling Co.

They are residing in Granite City.

MR. AND MRS. BRIAN CROW. They exchanged vows at Tri-City Park Tabernacle in an evening ceremony. Formerly Deborah Jean Rushing, the bride is a daughter of Mrs. Eurrell Rushing, 2065 Thirteenth St., and James Earl Rushing of Tennessee.

Bright New Wings at Third Baptist

A performance of the musical "Bright New Wings" will be presented at 6:30 p.m. Sunday, Oct. 30, at the Third Baptist Church, 2601 Grand Ave., according to John Nading, minister of music.

Composed by recording artists Cynthia Clawson and Ragan Courtney and arranged by Buryl Root, the production takes Biblical characters and puts them in a historical and musical setting of the old west. Special musical tapes and stage lighting is being planned by The New Creation, the church youth choir.

Offer aid to curb fraud in Medicaid

The Illinois State Medical Society last week offered its assistance to Gov. James R. Thompson in developing legislation which would permit the Illinois Department of Public Aid to suspend or terminate Medicaid providers proved guilty of fraud.

Following is the text of a telegram sent to the governor by the ISMS president, Dr. George T. Wilkins Jr., of Granite City, and board chairman Dr. Robert T. Fox in the wake of an Illinois Supreme Court ruling that the Public Aid Department lacks legislative authority to make such terminations or suspensions.

"We are deeply concerned about the decision of the Illinois Supreme Court in the Bio-Medical Laboratories Inc., case.

"The court ruling will impair

the ability of the Illinois Department of Public Aid to control fraud in the Medicaid program.

"In many respects, we believe the department must bear responsibility for this outcome.

"For the past two years, the Illinois State Medical Society has attempted to convince the department that its Medicaid payment and audit rules and systems were ineffective and unfair. The Supreme Court has now declared them illegal.

"The regulations promulgated by the department often violated basic rights of Medicaid patients and providers; often were applied retroactively; and caused enough harassment to drive honest providers out of the program.

"Rules governing the program must effectively deter and control fraud, while at the same time define reasonable standards and afford due process.

"We wish to offer the

assistance and expertise of our Society in the formulation of emergency legislation to empower the department to suspend and terminate providers guilty of defrauding the program, while safeguarding the rights of honest program participants.

"Please be assured of our commitment to a Medicaid program which strives for quality care for recipients, fairness to providers and accountability to the public," Dr. Wilkins and Dr. Fox concluded.

NATIONAL POST FOR STATE BOARD MEMBER

Dr. Adrienne Bailey, a member of the Illinois State Board of Education, has been named president-elect of the National Association of State Boards of Education at that group's 15th annual convention. Jack Witkowski, chairman of the State Board of Education, views the selection as "not only a great personal accomplishment, but a tribute to the state board."

She is a senior staff associate of the Chicago Community Trust, which provides grants to non-profit community agencies. A member of the Illinois State Board of Education since its beginning in 1975, she also serves on the boards of several national education organizations. The NASBE, an association for boards of education in the 50 states and six U.S. territories, was formed in 1959 to strengthen the tradition of citizen control of American public education.

6-week study project at church in Mitchell

The Mitchell United Presbyterian Church is one of 12 U.S. congregations selected to test a newly developed, self-administered "mission study guide" for the small congregation.

The study, which begins tonight, will last for six weeks, after which congregational members will have developed a statement of purpose and a series of mission direction statements in the areas of worship, education, evangelism, community outreach, member care, resources, buildings and grounds, leadership and administration.

REV. MIKE ADAMS To Lead Revival

Former pastor leads revival

The Rev. Mike Adams, a former Granite City resident and minister, has returned to conduct revival services at Community Heights Assembly of God Church, located at Faith and Buxton avenues.

The revival series starts tonight at 7:30 and continues each evening at the same time through Thursday, Oct. 27, according to the Rev. Jeff Smith, pastor.

As a missionary evangelist, the Rev. Adams served in Mexico, Guatemala and Nicaragua. He has been in the ministry for 15 years and has pastored churches in the Illinois District.

At the present time, the Rev. Adams is pastor of the Lithia Springs Full Gospel Tabernacle in Lithia Springs, Ga., where he also serves as superintendent of the Lithia Christian Academy.

The evangelist and the host pastor have issued an invitation to all area residents to attend the revival services and "experience a touch from the Lord, through the Holy Ghost inspired preaching, prayer for the sick and 'End Time' prophecy."

CHURCH DANLAIRED

The Rev. O. J. Cloninger, pastor of the Church of God, 226 W. Fontenau Road, reported Thursday that vandals had forcibly entered the church building, currently under construction, and poured acid on six newly-installed carpets and upon three wooden arches which extend from the floor to the ceiling. Cost of repairing the damage was not given.

Whatever the time, Nite Lite is always on at the right time

No matter what the clock says, a Nite Lite is always on at the time you need it—as soon as the sun goes down.

A dependable photo-electric device turns your Nite Lite on at dusk. And turns it off again at dawn. Its beam illuminates your property all night, every night, whether you're home or away.

Nite Lite protection can give you a good feeling of security. Your local law enforcement authorities will tell you that thieves, burglars and vandals tend to stay away from well-lighted property. Nite Lite is a convenience, too, providing plenty of illumination for after-dark chores, recreation or light to welcome your guests.

Using off-peak electricity, generated at night when demand is low, Nite Lite is also a wise use of energy.

Nite Lite service requires no investment on your part. A flat monthly rental covers installation of the light on a pole, maintenance and all electricity the light uses.

Halloween party at library

By JEANETTE KAMPEN
of the Public Library Staff
A Halloween costume party featuring the Dial-a-Story actors will be given as the second event in the "Windows of the World" series of live performances at the Granite City Public Library. The party will take place in the Children's Room on Wednesday, Oct. 26, at 7 p.m.

Storytelling, pumpkin carols, and a puppet play will be among the activities. There will be a prize (a "Magic Pumpkin" full of surprises), and the winner will be given the opportunity to make a Dial-a-Story tape with the actors. The party is free and open to the public.

++
The Granite City Public Library will be closed on Friday, November 11, in observance of Veteran's Day.

++
New items: "Enola Gay," by Gordon Thomas and "Max Morgan Witts," an account of what was probably the most important event of World War II, the bombing of Hiroshima. In addition to their extensive interviews with participants, both American and Japanese, the authors had access to private diaries and memoirs

and government documents until recently classified "top secret." In "The Today Show" Robert Metz tells the story of the longest running TV show on the air—the glamour, the accomplishments, the battles and squabbles, the fun, and the real story behind Barbara Walters' million-dollar jump to ABC. Metz also wrote "CBS: Reflections in a Bloodshot Eye."

Robert Shogan measures the lefty moral promise of Jimmy Carter's candidacy against the realities of the critical first 100 days of his presidency in "Promises to Keep: Carter's First Hundred Days." Shogan monitored meetings of the cabinet, staff, and the President's board of political strategy as they planned the early days of Carter's administration.

Drawing on this material, as well as interviews with officials from Carter and Mondale on down, Shogan provides a first-hand picture of the new presidency in action.

Journalist Anthony Sampson reports on the world arms trade in "The Arms Gazaar: From Lebanon to Lockheed." In this book he describes the

development of the giant arms companies — led by Lockheed, the biggest of them all — and exposes the build-up to the biggest arms race in history, now showing itself in the Middle East.

Halloween safety tips

Halloween safety begins with a "be seen costume," says the Illinois Optometric Association. Darkness makes youngsters invisible to motorists but there is a way to add an edge of safety to purchased or made-at-home costumes, according to Mrs. Benjamin T. Rose, safety chairman of the auxiliary to the Illinois Optometric Association. That edge is retro-reflective material.

"I didn't see him in time" is the most common explanation given by drivers hitting pedestrians, particularly at night when a driver's view is limited to the length of the headlight beam. Children in dark clothing are most likely to have such accidents.

Even white clothing is only safely visible at speeds of up to 50 mph.

Studies at the Indiana University found that retro-reflective material is safely visible even at speeds of 70 and 80 mph. This material is available in either iron-on or sew-on fabrics and tape, so youngsters can make up their own designs.

"Just be certain they will be visible from front, back and sides," said Mrs. Rose. She also suggested that parents accompanying their children should be certain to add retro-

reflective tape to their own clothing, so they, too, can be seen by the drivers.

The other side of Halloween safety is to see safely. A poorly-fitted mask, which can easily slip out of position, or one with small eye slits, poses a potential danger because it can block a child's view of oncoming cars, objects in his path, a hole, a step or the curb.

Mrs. Rose said she prefers using makeup as a disguise rather than masks. "With makeup, the child has his normal field of vision and is less likely to have an accident because he didn't see."

She cautioned that the makeup should be of the non-allergic type and should be applied carefully by an adult to avoid getting makeup particles or applicators in a child's eyes.

The Illinois Optometric Association has some advice to homeowners: Turn on all porch and yard lights. Be sure steps are well lighted and that all toys and garden tools are put away. All parents should caution their children not to walk in the street, to use yards if there are no sidewalks, to cross at a corner with a street light, if at all possible, and look carefully before crossing. In addition, give the child a battery-powered light to carry.

Dance classes to resume

YMCA dance classes will start again Oct. 31. Classes offered at the "Y" include social dance, disco dance and ballet.

Disco dances are conducted on Monday and Wednesday evenings. Classes for youngsters from grades seven to 12 will be available on those nights from 7:30 to 8:30 and from 8:30 to 9:30 for adults. Larry Lakin instructs the latest moves in the disco scene.

Social dance is offered on Thursday evenings from 8 to 10. Paula Tolliver is the instructor. She will be teaching the fox trot, cha cha, waltz, tango, swing, (imperial) samba, mamba and bolero.

Ballet classes will start Nov. 5 for eight consecutive Saturdays. Kathleen McGrath will instruct 6 to 12-year-olds from 9 to 10 a.m. and adult classes will meet from 10 to 11.

BUNKO-ETTES HONOR

MRS. SANTAGATO
The Bunko-ettes Club honored Mrs. Helen Santagato on her birthday at a meeting held in the home of Mrs. Julia Portell, last week. She was presented with a gift and cake by the group.

Prizes for the evening went to Juanita Blevins, Helen Lipchik, Leona Delaloye and Dorothy Barrett.

Also present were Ruth Partney, May Bingham, Angie Buehler, Florida Batson, Rose Drube and a guest, Mrs. Margaret Verbray.

TOTAL SATISFACTION GUARANTEE
Everything you buy at Kroger is guaranteed for your total satisfaction regardless of manufacturer. If you are not satisfied, Kroger will replace your item with the same brand or a comparable brand or refund your purchase price.
We also guarantee that we will do everything in our power to have ample supplies of all advertised specials on our shelves when you shop for them. If, due to conditions beyond our control, we run out of an advertised special, we will substitute the same item in a comparable brand (when such an item is available) reflecting the same savings, or, if you prefer, give you a "RAIN CHECK" which entitles you to the same advertised special at the same special price any time within 30 days.

ANY WEEK HELP YOU SAVE, TOO!

KEEPING YOU POSTED
SUPPLY, DEMAND ... and
FOOD PRICES
As a shopper, you may have wondered why the price of food might go up or down substantially within a short time period. Under normal circumstances, when a price changes that much that fast, it's because the cost the store pays for the product has changed. (To meet competition, stores sometimes lower prices even though their wholesale cost has not gone down.)
In most cases, the price stores must pay for the products they sell is determined by the law of supply and demand. When a product is scarce, many stores are trying to buy at the same time ... so the seller can get more for the product. When there's a bigger supply ... so the cost the store pays for the product goes down.
Remember last winter's freeze in Florida? Many crops were destroyed, which created a shortage that affected produce prices and supplies for several months. Now that supplies are good again, prices are down.
As shoppers for the shopper, we at Kroger pledge to buy wisely in your behalf ... to make sure the quality is right ... and to operate our stores efficiently to help us keep prices as low as possible. We want each purchase at Kroger to represent a value for you.
We hear you and we're trying to help!

ARTICHOKES

3 \$1

Artichokes are one of the oldest foods known to man. It was cultivated as a food in the Mediterranean thousands of years ago. Early plantings were made in the U.S. by French settlers in Louisiana and the Spanish brought them to California. Cook in salted water with a squeeze of lemon juice to help retain color. A Hollandaise sauce is served with artichokes, spread the leaves open, and fill with a mixture of butter, mushrooms, 100 grams (3 1/2 oz.) of white phosphorus, sodium and potassium. Add a gourmet feeling to your menu.
